

## December ITS Tip of the Month

Hello Elite Club Members!

I have the inside scoop for you this month on an upcoming contest that is going to be rolled out in the month of December. The contest is going to be focused on the FNTG App which is your personal electronic business card. The contest will reward those Sales Executives and Escrow Officers that have the most FNTG App downloads, opens and shares. You can find your own FNTG App rankings in your Tapp Tracker App. So get ready!!

If you have not gotten your FNTG App setup yet, you can refer yourself to the FNTG App in Connect to get your personal business card app set up.

Don't delay as I heard Apple watches are the prizes! 🤔

Best regards,  
Matt
